Welcome,

Congratulations on a baby on the way!

At Verloskundigenpraktijk you can count on us for the best obstetric care, personal support and individual guidance throughout your pregnancy.

We recognise the importance of understanding one another and always offer ample time in consultation; allowing for in-depth, real conversation.

Furthermore, we provide many information brochures which are all available in your language!

Call us for an appointment and first ultrasound : 035-64 79 449

Call us if your labor has started at number 06 101 41 870
